- If you have medical bills for services received since the date you qualified for coverage, contact the health care provider and ask the provider to bill the State of Minnesota. The provider may be able to pay you back for bills you have already paid.

If you qualify for MinnesotaCare:

- **If you have a MinnesotaCare premium:** You must make a full payment for coverage to start. Your coverage starts on the first day of the month after you make your first payment. If you have not gotten it already, you will get your first bill in the mail. Make the payment to us as soon as you can.

Do I have to pay back the costs of my health care if I am receiving government assistance?

In certain circumstances, federal and state law require the Minnesota Department of Human Services and local agencies to recover costs that the MA program paid for its members. This recovery process is done through Minnesota's MA estate recovery and lien program. Read the following if you are enrolled in MA.

If you are enrolled in MA, then, after you die, Minnesota must try to recover the costs of any long-term services and supports (LTSS) you received at 55 years old or older. LTSS include:

- Nursing home services
- Home and community-based services
- Related hospital and prescription drug costs
- Managed care premiums (capitations) for coverage of these services

Even after you die, Minnesota cannot recover these costs if your spouse survives you, you have a child under 21 years old, or you have a child who is blind or permanently disabled. Once your spouse dies, Minnesota must try to recover your MA LTSS costs from your spouse's estate. However, recovery is further delayed if you still have a child who is under 21 years old, blind, or permanently disabled. Your children do not have to use their assets to reimburse the state for any MA services you received.

Also, Minnesota must try to recover the costs of all MA services an MA member received at any age while permanently living in a medical institution. However, MA members who qualify for services under modified adjusted gross income (MAGI) eligibility criteria are not subject to recovery for services received before the age of 55.

The state may file an MA lien against your real property to recover MA costs before your death, but only if you are permanently living in a medical institution. The state also may file a notice of potential claim, which is a form of lien, against real property to recover MA costs after death. Liens to recover MA costs may be filed against the following:

- Your life estate or joint tenancy interest in real property
- Your real property that you own solely
- Your real property that you own with someone else

You have the right to speak with a legal-aid group or a private attorney if you have specific questions about how MA estate recovery and liens may affect your circumstance and estate planning. The Minnesota Department of Human Services cannot provide you with legal advice. For more information, go to <http://mn.gov/dhs/ma-estate-recovery/>.

IMPORTANT APPEAL RIGHTS! READ THIS NOW!

What if I do not agree with the action taken on my health care coverage?

If you think the decision in your health care notice is wrong, you have the right to appeal. An appeal is a legal process where a human services judge holds a hearing and reviews (1) a decision by the Minnesota Department of Human Services (DHS) about MinnesotaCare coverage; or (2) a decision by a county or tribal agency about Medical Assistance coverage. You can learn more about how this works at www.dhs.state.mn.us/appeals/faqs.

How do I appeal?

You can appeal by submitting your own written request, filling out a DHS appeal form, or getting help by phone or in person. The DHS Appeals Division or your county or tribal agency can help you file your appeal.

Do any of the following to start an appeal:

- Log in to your account at MNsure.org to access the Appeal Request Form.
- Please fill out the DHS-0033 form at <https://edocs.dhs.state.mn.us/lfserver/Public/DHS-0033-ENG> and submit it electronically.
- For information on filing an appeal, call your county or tribal agency or the DHS Appeals Division at 651-431-3600.
- Mail your request to the Minnesota Department of Human Services Appeals Division, PO Box 64941, St. Paul, MN 55164-0941, or fax it to 651-431-7523.
- To get help in person, come to the Minnesota Department of Human Services Information Desk, 444 Lafayette Road N, St. Paul, MN 55155.

What can I appeal?

You can appeal any of these:

- The county or tribal agency, or DHS failed to act on your request about health care coverage.
- The county or tribal agency, or DHS processed your request too slowly.
- The county or tribal agency, or DHS took an action you do not agree with (examples of actions: denial of Medical Assistance coverage, approval of coverage for a program you do not think you are eligible for, a change in your MinnesotaCare benefits).

When must I appeal?

If your appeal involves Medical Assistance or MinnesotaCare, you must file your appeal within **30 days** of receiving your health care notice. If you show good cause for not appealing a Medical Assistance or MinnesotaCare action within **30 days**, you may be able to appeal up to **90 days** after the date of your health care notice. See below for more important information about time limits for Medical Assistance and MinnesotaCare appeals.

Important: An appeal decision for one household member may affect the eligibility of other household members. Household eligibility may need to be redetermined.

Will my benefits continue during my appeal?

You may be able to continue to get the same benefits you were receiving at the time you got the health care notice. But you may have to file your appeal within a certain time limit:

For Medical Assistance and MinnesotaCare enrollees, we usually must send you an advance notice 10 days or more before the effective date of an action, or we may send you a notice five days before an action, depending on the situation. Your benefits will automatically continue if you file your appeal by the effective date of the action on the advance health care notice. In a few situations we may send you a notice less than five days before an action, or on the effective date of an action. Your benefits will continue if you file an appeal within 15 days from the date of that health care notice. You must pay your monthly MinnesotaCare premium to get continued coverage during your appeal. Tell DHS in writing if you do not want your benefits to continue.

Important: If you lose your appeal, you may have to pay back the benefits you got while your appeal was pending.

Important: You have the right to apply for Medical Assistance or MinnesotaCare again if your benefits stop.

What if I need a hearing right away?

You have the right to ask for an expedited (sped-up) appeal. If you need a hearing right away, tell DHS the reason when you file your appeal. To ask for a sped-up appeal for Medical Assistance or MinnesotaCare, contact the DHS Appeals Office at 651-431-3600 (metro) or 800-657-3510 (outstate).

What do I do after I file my appeal?

Gather information related to the action you are appealing that you think will prove or explain the reason you think the action was wrong.

You will get a letter telling you the date and time of the appeal hearing. Many hearings are done over the phone.

Continue to report changes (such as the start or stop of a job or changes in who lives with you) within these time frames:

- **30 days** if you have MinnesotaCare
- **10 days** if you have Medical Assistance

If you have Medical Assistance, report changes by calling your county or tribal agency. If you have MinnesotaCare, report changes by calling DHS Health Care Consumer Support at 651-297-3862 or 800-657-3672.

Can I get help with my appeal?

You may speak for yourself at the hearing. You may also have someone else speak for you. You can let us know that you want someone else to speak for you at the hearing when you file your appeal. If your income is below a certain limit, you may be able to get legal advice or help with your appeal from your local legal aid office.
